We invite you to join us at the Museum for a special evening with Bob Cardin, the man who led the painstaking recovery expeditions and restoration of the famous P-38 Glacier Girl. With Glacier Girl as a backdrop, Bob will give a first-hand account of how he and his team removed the aircraft from over 250 feet of glacial ice and over the next ten years, restored her to flying condition. This is a once-in-a-lifetime event that you don't want to miss!

Admission to the Friday night event is \$5 for Museum members and \$10 for visitors. Kindly RSVP to 972.380.8800 x100.
